

# Exploring LMS Course, Summer 2016

\* Required

1. Please indicate which course you participated in. \*

Mark only one oval.

- ISLT 7372: Exploring Blackboard      *Skip to question 5.*
- ISLT 7371: Exploring Sakai      *Skip to question 2.*
- ISLT 7373: Exploring Moodle      *Skip to question 2.*
- ISLT 7374: Exploring Canvas      *Skip to question 2.*

## Self-Directed Learning

2. This course was self-paced, project based learning requiring you to self-direct your learning. Self-directed learning strategies include goal-setting and planning, time/resource management, and self-assessment and reflection. Please describe the self-directed learning strategies that you applied during this course. \*

.....

.....

.....

3. Reflecting on the strategies you used, what worked well for you and why? \*

.....

.....

.....

4. Reflecting on the self-directed learning strategies you used to complete this course, what did not work well for you and why? \*

.....

.....

.....

.....

*Skip to question 10.*

## Self-Directed Learning (BB)

5. This course was self-paced, project based learning requiring you to self-direct your learning. Self-directed learning strategies include goal-setting and planning, time/resource management, and self-assessment and reflection. Please describe the self-directed learning strategies that you applied during this course. \*

.....  
.....  
.....  
.....

6. Reflecting on the strategies you used, what worked well for you and why? \*

.....  
.....  
.....

7. Reflecting on the self-directed learning strategies you used to complete this course, what did not work well for you and why? \*

.....  
.....  
.....

8. We asked you to fill out a learning contract form and reflect over what did (or did not) work well each time you submitted your task. What helped you self-direct your learning? (Choose all that apply to you) \*

*Check all that apply.*

- Pre-reflection of personal goals (i.e., reason to attend the course)
- Pre-reflection of my strengths and weaknesses in terms of self-directed learning
- Meaningful task selection (i.e., personally meaningful course site building)
- My own task scheduler
- Post-reflection writing
- Instructor feedback

9. How did they help you succeed in your self-directed learning? \*
